Online Services Consent Form

Years 7 – 9

Privacy Notice

The Department of Education, through Morayfield State High School, is collecting the personal information on this survey in order to obtain consent regarding the use of online services. This information and completed survey will be stored securely. Personal information collected during this survey may also be used by or disclosed to third parties by the Department where authorised or required by law. If you wish to access or correct any of the personal information disclosed, or discuss how it has been dealt with, please contact your student's school in the first instance.

Dear Parent/Carer

The purpose of this form is to inform you about the third party online services used in our school and how student information, including personal information and works, may be recorded, used, disclosed, and published to the services (if you provide your consent for this to occur).

This digital Online Services Consent Form is a record of the consent provided.

This consent form is to be completed by:
- **Parent/carer or**
- **Student over 18 years**

This online services consent form is being completed for _____

About the Consent
For each online service listed on subsequent pages, please indicate your choice to *give consent* or *not give consent* for the student information to be disclosed to the online service, in accordance with the approved purpose and time frame as outlined below.

Student Information
- Student name (first name and/or last name)
- Sex/Gender
- Date of Birth, age, year of birth

 AND the following school-based information (generally, non-identifying attributes*):
- Student school username
- Student school email
- Student ID number
- School
- Year group
- Class
- Teacher
- Country

*In cases where registration and/or use requires a combination of school-based information (non-identifying) and personal information, or a combination of school-based information, the school-based information may become identifiable.

If an online service records, uses, discloses and/or publishes student works, parent information or additional student information (such as photographs of students), not listed above, it will be specified as part of the **additional consent requirements**.

Examples may include:

- Student assessment
- Student projects, assignment, portfolios
- Student image, video, and/or audio recording
- Sensitive information (e.g., medical, well-being)
- Name and/or contact details (e.g. email, mobile phone number) of student's parent

Approved Purpose

To record your consent for the recording, use, disclosure and publication of the information listed above, and any information or student works listed under the 'additional consent requirements', and to transfer this information and works within Australia and outside of Australia (in the case of offshore services) to the online service providers for the following purposes:

- For your child to register an account for the online services
- For your child to use the online services in accordance with each service's *terms of use* and *privacy policy* (including service provider use of the information in accordance with their *terms of use* and *privacy policy*)
- For the school to:
  o administer and plan for the provision of appropriate education, training and support services to students, and
  o manage school operations and communicate with parents and students.

Time frame

The consent granted by this form is for the duration of the student's current phase of learning (i.e. Years P-3, 4-6, 7-9 and 10-12). Consent is obtained upon enrolment and renewed when students move into a new phase of learning (e.g. minimum every four years) however, there may be circumstances where our school issues a new consent form to seek additional consent e.g., in the event that new online services are identified for use.

Online services for which consent is requested

Service Name: ACER Online Assessment and Reporting
URL: https://oars.acer.edu.au/
Data Hosting: Cloud based servers in Australia.
