

## Question

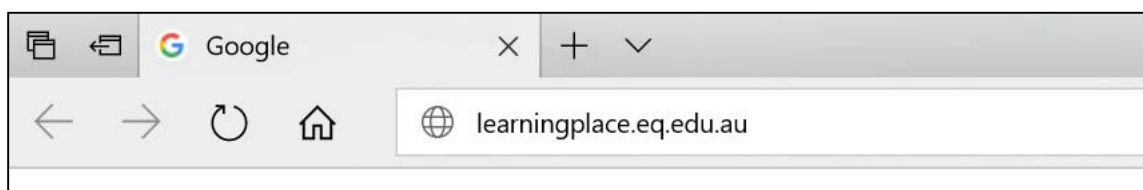

How do I access the Learning Place from home?

## Solution

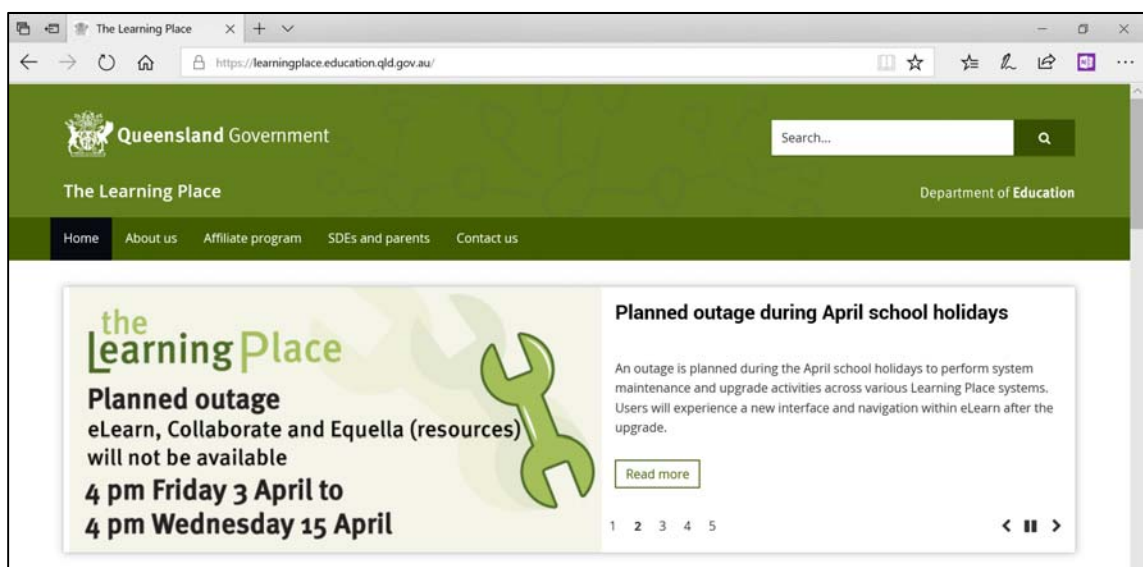

To access The Learning Place from home:

1. Open a compatible web browser (e.g. Internet Explorer/Edge, Safari, Google Chrome or Firefox.)

Type 'learningplace.eq.edu.au' in the address bar and press enter.

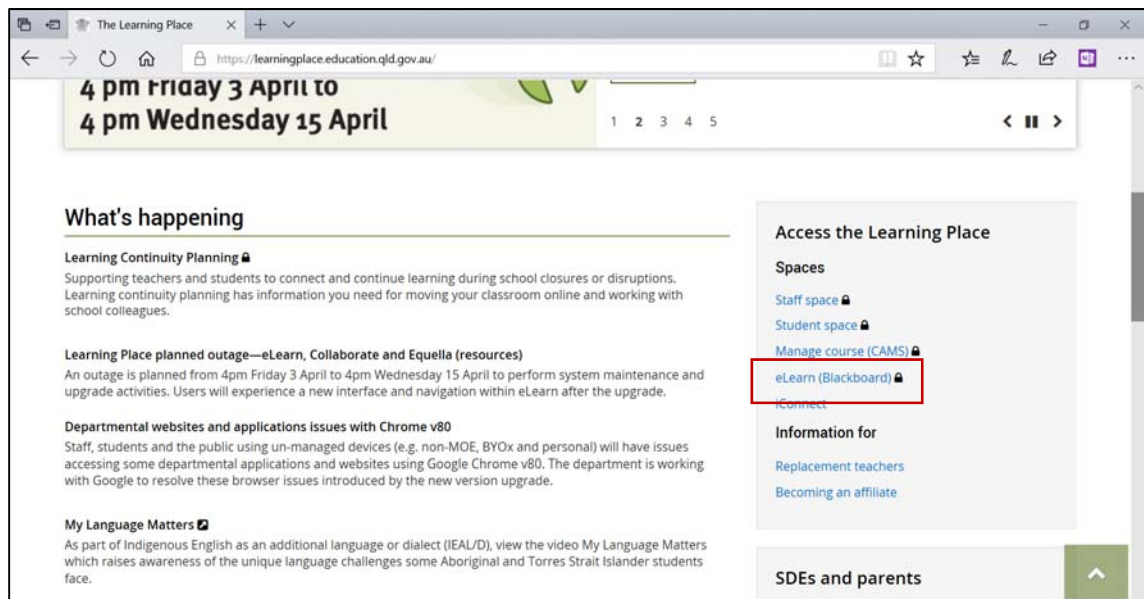

2. This will take you to The Learning Place website as shown below:

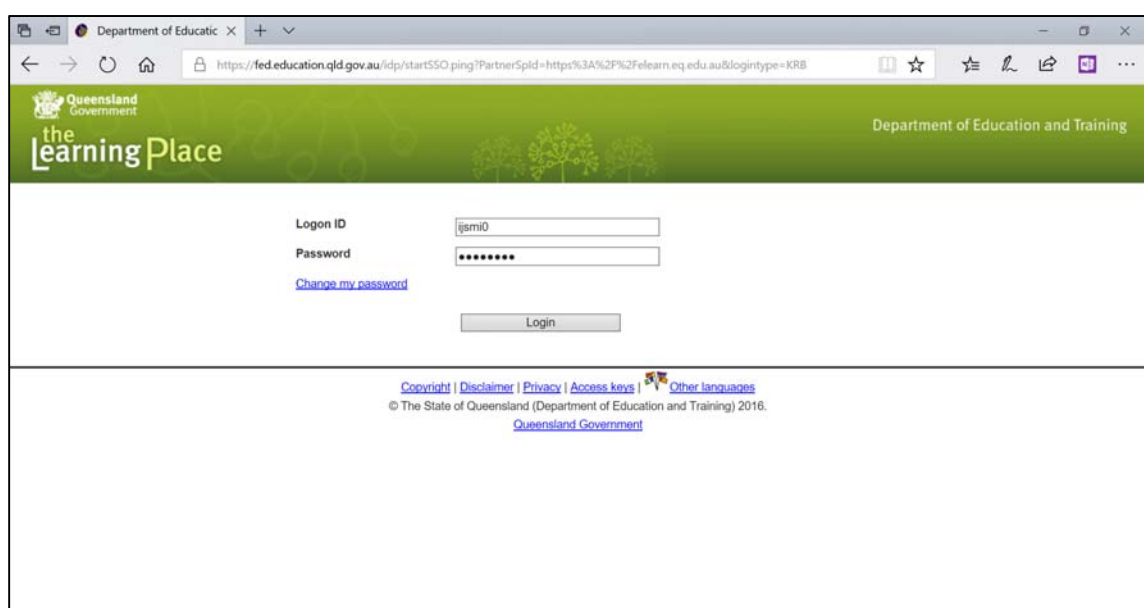

3. Scroll down the page to until you see the 'Access the Learning Place' box on the left hand side of the page.

Click on the 'eLearn (Blackboard)' link.

4. Entering your username/MIS ID (do not enter your full email address - i.e. do not include @eq.edu.au)  
Entering your password (your typing will be hidden for security).

Click on 'Login'.

5. You will then be taken to your eLearn Dashboard.

You can access your courses on the right hand side of the page under 'My Courses'.

The screenshot displays the eLearn Dashboard interface. At the top, the browser address bar shows the URL [https://elearn.eq.edu.au/webapps/portal/execute/tabs/tabAction?tab\\_tab\\_group\\_id=\\_1\\_1](https://elearn.eq.edu.au/webapps/portal/execute/tabs/tabAction?tab_tab_group_id=_1_1). The dashboard header includes the 'the Learning Place' logo and navigation links for 'My eLearn', 'Courses', 'Communities', and 'Help and Tutorials'. Below the header, there are tabs for 'My eLearn' and 'Notifications Dashboard'. A sidebar on the left contains links for 'Add Module' and 'Personalise Page'. The main content area is divided into three columns. The left column, titled 'Manage Courses (CAMS)', includes a link to 'Access the CAMS tool here to manage your eLearn course.' and a 'Tools' section with links for 'Announcements', 'Calendar', 'Tasks', 'My Marks', 'Send Email', 'Personal Information', and 'Goal Performance'. The middle column, titled 'Learning Place Announcements', contains a notice about 'Departmental websites and applications issues with Chrome v80 and Microsoft Edge v80', stating that users of un-managed devices may have issues accessing resources and providing a list of affected resources. The right column, titled 'My Courses', lists courses where the user is an instructor, including '7 Science', '8 Science', 'MSHS - 7 Science', 'MSHS Year 7 Math', 'MSHS Year 7 Science', 'Numeracy @ MSHS', 'Robotics Morayfield', 'Senior Chemistry', 'Year 11 Chemistry', and 'Year 11 Maths B 2018'.
